ORDER AND RULE TO SHOW CAUSE

AND NOW, this 19th day of February 2021, a RULE is hereby issued upon Plaintiff and Defendant to show cause on or before **February 25, 2021 at 12 Noon** in respective briefs not to exceed 10 pages, why all filings in this case placed under seal upon *ex parte* representations and a motion to this Court should remain sealed given the applicable legal standard (*see United States v. Janssen Therapeutics*, 795 F. App'x 142, 143 (3d Cir. 2019)), in light of the fact, upon review of Defendant's response to the Motion for a TRO and Preliminary Injunction, that the nature of Plaintiff's conduct, which resulted in his retroactive removal from the Mayo Clinic, was already a matter of public record and the target of two class action law suits. *See In re Cendant Corp.*, 260 F.3d 183, 194-97 (3d Cir. 2001) ("continued sealing must be based on **current evidence** to show how public dissemination of the pertinent materials now would cause [] harm") (emphasis added) (internal quotation omitted).
